

Architectural Drafter – BIM/CAD Technician

Architects West is seeking a full-time drafter to fill a key role in our office. Candidate should have 3 to 5 years' experience in drafting, knowledge of construction documents, and an understanding of the design/drafting process. Previous work experience in construction is desirable. Potential candidates should possess the following technical skills: thorough knowledge of Revit, knowledge of AutoCAD and Sketch-up desirable, proficiency in Microsoft Office programs, and strong computer aptitude. Candidate will contribute to the preparation of documents for educational, commercial, municipal and other projects.

We offer competitive salaries based upon experience and a full benefits package including health/dental/vision and 401K plan.

Please send resumes to Administrative Secretary, Architects West, Inc., 210 E. Lakeside Ave., Coeur d'Alene, ID 83814; or e-mail to: kimh@architectswest.com with "Resume" on the subject line. Architects West is an equal opportunity employer.
