

Project Architect

Architects West is an award-winning regional design firm with a highly diverse portfolio of K-12 and higher education, civic, commercial, tribal, and sports and recreation facilities. With offices in Coeur d'Alene, ID and Spokane, WA, our multi-disciplinary team of Architects and Landscape Architects has built an extensive and impressive portfolio of projects throughout the northwest. Our commitment to the principles of stewardship, community, and pursuit of excellence has served as the foundation for more than four decades of successful professional practice.

Architects West is seeking a talented and energetic Project Architect with a passion for design and solid understanding of the entire construction process including materials, construction methods, and building codes. The ideal candidate will have an accredited degree, professional architect license and 5-10 years' experience in all phases of architectural practice. Strong technical, organizational and communication skills, team leadership experience, and a comprehensive knowledge of Revit and Microsoft Office programs are required. Additional experience with Sketchup, AutoCAD, and Adobe Suite is preferred.

Our team culture is highly collaborative and professional, authentic, and family-oriented. Striking an effective harmony between professional development, quality of service, and work-life balance is an essential aspect of who we are. With a strong established and growing regional presence, we cultivate motivated team players with the desire to contribute to meaningful work that positively impacts and enhances quality of life in our communities. We endeavor to provide means, from software and virtual tools to workplace, to a contemporary environment in which our team can flourish and explore their potential.

The picturesque Spokane/Coeur d'Alene region has something for everyone, including numerous lakes and rivers, snow sports, an energetic arts, music, and dining scene, as well as comparably low cost of living. Our two office locations are exceptionally well placed for ease of access and daily amenities, and to provide flexibility and convenience to accommodate team members from either community.

Architects West is an employee-owned company offering competitive salaries, a flexible work environment, and a full benefits package exceptional for our industry that includes health/dental/vision and HSA options with employer participation, and 401K plan with an employer match.

If you're interested in joining the collaborative, hardworking, fun-loving Architects West team, please send resume to Administrative Secretary, Architects West, Inc., 210 E. Lakeside Ave., Coeur d'Alene, ID 83814; or e-mail to: kimh@architectswest.com with "Resume" on the subject line. Architects West is an equal opportunity employer.
