

Seeking Qualified Landscape Designer/LAIT

Architects West is seeking a landscape architect-in-training to join our team in our Coeur d'Alene, ID and/or Spokane, WA offices. Interested persons must be outgoing, comfortable in a team environment, self-starters with a passion and focus for the profession. Our projects typically include commercial, residential, tribal, institutional, education, parks, recreation, and master planning within the Inland Northwest Region. Our work mix is roughly 70% public and 30% private.

Experience: 0-4 years' experience; Licensed or licensure-bound candidates are desirable.

Education: Degree from accredited LA program is preferable, but not required.

Skills: Proficiency in ACAD is a must. Experience and knowledge in Civil 3D, Land F/X, and Bluebeam are highly preferred. Graphic skills should include experience at both hand and computer graphics with proficiency in Photoshop and SketchUp. Having knowledge in planting and irrigation design is highly beneficial. The ability to think through and prepare construction design documents and writing are important. Teamwork oriented communication is critical within our multi-disciplinary firm.

Compensation: Negotiated depending on experience, skill sets, and talents. Architects West is an employee-owned company offering competitive salaries, a flexible work environment, and a full benefits package exceptional for our industry that includes:

- Health/dental/vision and HSA options with employer participation
- Bonuses
- Company shares
- 401K plan with an employer match.

Time Frame: Open until filled.

Contact Information: Interested candidates should submit cover letter and resume to:
